## *A Right Royal Summer*

As our community celebrated Her Majesty Queen Elizabeth II's Platinum Jubilee, marking 70 years on the throne, we will take the opportunity in this issue to look back on our triumphant summer celebrations. Not only did we enjoy 4 days of festivities over the Jubilee Weekend there were other memorable events which made this summer one to remember. These successes included; the Quirky Planter Challenge, Cream Teas at the Pavilion and the Bikers Meet at the Coronation Hall.

To maintain the momentum some up and coming events include; The Produce Show, North Clifton School Fair, the Autumn Market, the Harvest Festival & Lunch and the Autumn Bash. We also look forward to the Christmas Dinner Dance in December. We are lucky to live in a place where so many people are willing to give up their time to get involved and make these things happen. Very well done to all of you for your contributions!

## **Our Majestic Jubilee**

Well, what a party we had! Four days of celebrations in the pavilion and on the sports field included a stunning beacon, some lovely memorabilia on display, great food and a wonderful chance to meet up and share a very special event. Thank you to the army of people who helped to make the event such a roaring success.

You've probably seen the football pitch has been turned around and the two Collingham Youth Teams now have a Wembley sized pitch to play on. We are grateful to the Football Foundation for a grant to help meet the cost of the new goal posts and to James and Robbie for securing the application. A full set of fixtures, with 10.30am kick offs, will start each Saturday from September. Come down and see the lads play, they are superb!

We are looking forward to seeing how much Collingham Co-op have raised for us as one of their 'Community Champions' and the funds collected will go towards improving the lighting in the pavilion.

We will also be welcoming Tetra Tech, who have kindly offered us support through their Staff Volunteering Scheme, (thanks to Anabel Lilburn for organising this). They are coming to the sports field on 23<sup>rd</sup> September to help clear various areas ready for planting or upgrading. Can you spare a few hours to come and help too? Obviously, the more volunteers we get, the more we can get done. Refreshments will be available.

**SOUTH CLIFTON** REFILL STATION

We are open every Saturday 10am until 12 noon.

## *North & South Clifton*

As I write this article we are in the middle of another hot spell and the church grounds have only the weeds showing any greenery! When we had the previous spell of hot weather, including the 40°C Day, inside the church was the place to be!! We kept the church open over the week-end of the Quirky Planter Challenge and many people took advantage of the opportunity for a cool break. We hope you enjoyed our contribution to the challenge in the form of a replica of our font. This was the idea of our treasurer, Derrick Watson, and was made by the Collingham Men in Sheds Group. Sincere thanks to them and of course to Adam Faux for organising the weekend. The money raised was given to the church and for that we are very grateful.

We have also benefitted greatly over the summer months by a number of donations from various village events and these have been greatly appreciated. The Cream Teas and raffle held in the South Clifton Sports Pavilion in July was a lovely social occasion and again resulted in a very welcome donation to our funds. The oncoming autumn and winter are being viewed with trepidation in respect of heating and lighting the church. Like all of you we will be striving to manage within our budget and make every economy that is possible.

As always, we are very appreciative of those who volunteer their time and money to support the church and its associated activities. We have continued to be blessed with lovely flower displays through the year inside the church and are grateful to the small band of volunteers who ensure our services benefit from those displays. We are always looking for others who could assist and this could just be for one display a year. Please contact the churchwardens for further information.

We are now moving into our autumn programme of events and services. Our very popular **Harvest Festival Service will take place on Sunday 9<sup>th</sup> October**, followed by a lunch in the Coronation Hall. Please keep a look out for further details.

**Sunday November 13<sup>th</sup> is Remembrance Sunday** and we will be holding a service in the church and presenting wreaths from our villages to the War Memorial in the church.

Yes, we have also planned our Christmas Programme!! As well as our traditional evening carol service (Friday 16<sup>th</sup> December) for the first time in many years we will have a service at St George's Church on Christmas Morning! This will take place at 10.30am. We are always happy to open the church for you and your families and friends at any time. For those new to our community please find time to come and have a look around the beautiful interior and see some of the lovely views from the church grounds. Just give us a call on the numbers below and we will happily oblige!

Finally, for those who would like to know more about family events such as baptism or confirmation, our rector, Rev. Mandy is always very happy to discuss and is based at Collingham on telephone: 01636 361657 and email: revdmand@hotmail.com

We look forward to meeting up at our forthcoming services, best wishes as always.  
Granville Daniels & Michael Cobham (Churchwarden's) and all PCC Members.

## Reflection from Revd Mandy

Dear Friends,

First of all, I'd like to thank everyone who has contributed to life at St George's this summer, especially through the brilliant quirky planters and cream teas. Everything you do is very much appreciated and the money raised is very welcome and indeed vital to the church being here, so thank you for your generosity.

September always feels like a fresh start to me, with its back-to-school overtones, which brings in a season as varied as a good autumnal border. Let's hope for some good, settled weather as we recover from heat waves and drought and face the challenges ahead. With so much concern about the cost of living, climate change and ongoing wars, I've been left wondering what I'm sure of and where security lies. Of course, these aren't new questions, and many times in history it looked like the end of the world was nigh. When I think about St George's and the wars, plagues, floods, droughts and religious and political turmoil that our church has witnessed and survived, I'm reassured. Human beings are very adaptable and resourceful, and maybe we need some changes now.

One thing that we can celebrate is harvest, thanks to the skill of our farmers, so don't miss out on our Harvest Festival on October 9<sup>th</sup>. November brings remembrance with time to reflect on the generations before us who have faced dreadful circumstances with courage, who've changed their ways of life and made huge sacrifices. Don't miss our Remembrance Service on November 13<sup>th</sup>.

Autumn is the most varied season because it begins with a new school year, takes us through Harvest Celebrations, Remembrance tide and ends up looking to Christmas, when we celebrate God with us.

Life is a gift, really good things happen and really terrible things happen, but God is there for us through it all. That's what I'm sure of and where my security lies.

Looking forward to seeing you this autumn,

God bless you all,

*Revd Mandy.*

*Christmas Messages*

*Each year we print Christmas Greetings in this newsletter from members of our community. It is environmentally friendly, saves time and cost, whilst getting your message across to everyone in the three villages.*

*An even better reason is that each message will raise funds to help keep this newsletter free and available to all villagers. (Can we suggest a donation minimum of £5 per message?)*

# *Coronation Hall News and Updates*

Since the last Newsletter we have said goodbye to one member of the Committee and hello to another. Grant Dickson, after 3 years, has unfortunately had to leave his post as Chairman due to other commitments but the Committee would like to extend their thanks to him for all his work with the Coronation Hall. Alison Coverdale has now joined the Committee and has already been hard at work cooking for the recent Bikers' Meet.

## **Ongoing and Future Projects.**

- As you have probably noticed, when you have entered the village past the Coronation Hall there has been a huge pile of hard core at the front of the hall. This is part of our ongoing project to pave part of the front area to allow outside sitting, and an accessible parking space.
- Geoff Goring, from the village, has very kindly offered to help us create a new and updated website showing our wonderful facilities, our hiring details and all the events that are being held at the Hall. Please keep a look out for it and give us your feedback.
- The existing car park is due to be resurfaced in October.

## **Events/Future Events**

Due to increasing running costs and the under use of a valuable village resource, we are trying to expand the events that we put on at the Hall to ensure that the Hall remains viable.

We are very interested to hear from anyone who has any ideas for future events or anyone who wishes to hire the facilities at the Hall. Please see any member of the committee as detailed below or refer to the website.

## **Upcoming events**

- **34<sup>th</sup> Produce Show** – Saturday 3<sup>rd</sup> September. Everyone is invited to participate in the show and we look forward to seeing your home grown produce, cooking and handicrafts. There is also a Young Artist Category and Children's categories. The exhibits are open for viewing, plus tea, coffee, biscuits and a raffle from 2.30pm-4.00pm. We look forward to seeing you all there.
- **Autumn Market** – Saturday 12<sup>th</sup> November 12noon-4pm
- **Christmas Dinner Dance** – Saturday 3<sup>rd</sup> December 7pm for 7.30pm – 11pm. Tickets will be available shortly. Please see advert for details.

**The Coronation Hall is a charity run by a small group of volunteers and needs the support of the Community to fund improvements and general running costs. If you are interested in volunteering on the Committee, please contact any of the members – John Ford (Chairman), Jan Ford (Bookings Clerk), Debbie Coleman (Treasurer), Debbie Jackson (Secretary), Mike Coleman, Andrew Jackson, Alison Coverdale.**

## Quirky Planter Challenge

What an inventive lot you are!

36 villagers joined in with the challenge this year, with the donations given to St George the Martyr Church

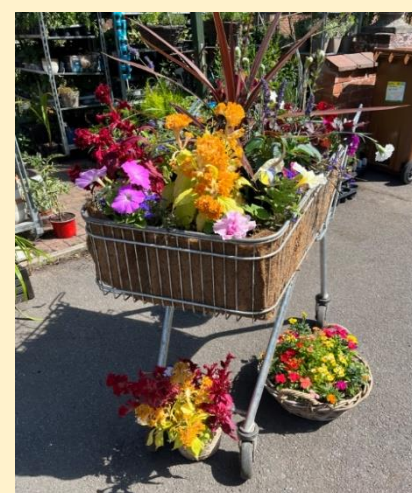

Enjoy these photos of all the entries.

**Congratulations to everyone who took part and managed to produce such fabulous displays, despite the weather!**

**A massive 'Thank You' must go to Adam Faux who persuaded, cajoled, bullied(?) so many of us to participate. His persistence and organisation ensured a successful event.**

## An exciting future for Mill Field

An exciting opportunity has come up to improve our village! We are looking for people to volunteer to get involved with the management of Mill Field in South Clifton in a new community project.

Mill Field is a four-acre field just off Mill Lane, opposite Coronation Hall. A public footpath runs along its eastern edge and I'm sure some of you will have walked along here over the years. The field takes its name from a windmill which used to be located here. You can see the mill marked on old maps and there is one existing photograph of it (see right).

Newark and Sherwood District Council own the field and they have offered the village an option to lease the land at a cost of a few hundred pounds a year. The other option the council have is to sell the land. They have indicated their preference is to lease the land to the village provided a group can be set up to manage it. A village meeting was held in August to discuss this and this was attended by 20 or so people. Several residents have expressed an interest in forming a volunteer group to firstly develop a proposal for what to do with the land and then to manage it for the agreed purposes.

So far, a range of ideas have been put forward by people living in the village including allotments, an orchard, public green space for local residents to use, tree planting and more. There are some rules associated with the lease which mean that structures cannot be erected on the site.

Mark Twain, the American writer, once said "Buy land. They're not making it anymore'. This is a one-off opportunity for our community to take ownership of a piece of land in our village and use it for purposes that support life in our village. At four acres the land is likely to be big enough to accommodate a range of different activities and uses.

### What you can do to help

If you are interested in joining the newly formed volunteer group, please contact Adam Cormack [adamcormack01@gmail.com](mailto:adamcormack01@gmail.com). You do not have to live in South Clifton as we hope the area will be open to all. We will need a range of skills and abilities so don't worry if you want to help but you're not sure how. You will be very welcome.

# *North Clifton Parish Meeting*

It all seems a long time ago now, but on 4<sup>th</sup> June North held its own Jubilee party on Peter and June Crofts' grassed area at the junction of Trent Lane and Back Lane. A group of volunteers erected three marquees and bunting, Peter Brumpton provided music, Mick Cobham set up two barrels of beer and a group of around 60 villagers commemorated Queen Elizabeths' Jubilee. It all seemed to go down very well and there are now rumours of another event for next summer. A massive thank you to all the helpers and the people that loaned equipment.

The **Parish AGM** took place in the Coronation Hall on 24<sup>th</sup> June, when 17 parishioners looked back over a difficult 2021/22 and then formed a new Parish meeting for the coming year.

James Radley was elected Chair for the year, Mike Foster Vice chair, Rebecca Walker Minutes secretary and Jane Radley Treasurer. The dates for key events during the year were set as follows, but all subject to confirmation nearer the time. Please check Cliftonites or the village notice board.

**22<sup>nd</sup> September 2022**, Parish meeting, 7.30pm - Coronation Hall.

**1<sup>st</sup> December 2022**, Parish meeting, 7.30pm, Social afterwards - Pavilion, Coalyard Lane

**3<sup>rd</sup>/4<sup>th</sup> December**, Christmas tree installation on the green

**13<sup>th</sup> December**, Carols on the Green. Reserve date in case of bad weather, 15<sup>th</sup> December

**24<sup>th</sup> March 2023**, Parish meeting, 7.30pm, Social afterwards - Pavilion, Coalyard Lane

**22<sup>nd</sup> June 2023**, Parish meeting AGM, 7.30pm - Coronation Hall.

An ordinary business meeting took place after the AGM where the following were discussed: -

**TCB**, it was agreed that Ed Gibson would repaint the telephone box in exchange for a donation to the Friends of the school. (This has now been done and the box looks magnificent in its new red coat. New signage will follow shortly).

The **village notice board** was also discussed; the Perspex glazing has gone opaque so the meeting agreed to replace the plastic with toughened glass at a cost of no more than £160.

The villages **seats and benches** were again discussed. Quotes had been obtained for recycled plastic products but the meeting felt we should also get quotes for wooden items before deciding which to buy. The quotes for wooden seats will be brought back to the next meeting.

**Speeding in the village.** This has cropped up many times before but the Parish meeting asked that it be brought back to peoples' attention. There was concern that some vehicles are travelling too fast through the village. Whilst it has a 30mph limit, this isn't a target, and it was felt that some people should slow down. It is only a matter of time before something happens where speed has been a contributory factor. If you know someone who is "a bit quick", please have a word before it's too late.

The next meeting is **22<sup>nd</sup> September 2022**, at 7.30pm in the Coronation Hall. All parishioners are welcome to attend.

James Radley.

'Welcome to the Jungle' was our topic in the summer term with 'All things green' being our focus for our sketchbook work. We searched for a variety of leaves and had a go at leaf printing. We also created a colour chart to show how many different shades of green we could make.

It has been lovely to get out into our secret garden while the weather has been warm. We have planted a variety of fruits, vegetables and herbs, after creating a plan of what we would like to grow. We are being very ambitious and have planted some unusual plants; we are looking forward to harvesting blueberries, aubergine and watermelon!

We have been very lucky to have Springwood Trees spend the afternoon with us, helping to create bug hotels and bird houses to protect the wildlife in our garden. They also helped make some wattling fence for our raised beds.

Finally, a big well done to our Year 6's who have worked so hard this year. You are all stars!

# *South Clifton Parish Council*

First of all, we are very pleased to have Dawn Benton as our Clerk. She has settled in well and has applied herself to the role with enthusiasm, and expertise. The role is demanding with all the correspondence received usually by email, needing to be sifted through to ensure we focus on the most important.

## **Mill Field**

At this time our focus continues with Mill Field. We had our meeting on 3<sup>rd</sup> August to pass on the view of Newark and Sherwood District Council and to look for input and views of the village. I know Adam Cormack intends to put forward his take on the situation, but some points taken from the meeting can well need further clarification. The deed transfer from the Crown to N&SDC contains a Covenant that precludes any structures of any kind and that the Field can only be used for agricultural purposes. Whilst we collectively consider renting any thoughts of our challenging the covenant are largely irrelevant as any challenge would have to be from N&SDC and as they have categorically stated they have no intention of doing so the matter rests. They have said that even to speak to the Crown Legal team would cost £1250 and to remove the Covenant probably would cost more than the value of the land.

At this time, we have not explored the possibility of purchasing the land, and it may well be appropriate to determine a market value so that option can be considered. The problems of removing the Covenant would still exist, but then the legal contact would include those of N&SDC, the Crown, the previous owner, and the Church. The latter because the restrictions placed on the land by the Church are still in force. Although, the details are not clear they placed a time of 20 years from purchase for a proportion of the profits of any possible domestic building. Any challenge of the Covenant would have the legal teams wringing their hands with delight.

Whilst it is not precisely clear what the definition of a structure is it appears that anything fixed in position with foundations certainly would be defined as a structure, and this includes solar farms.

It will be interesting to see how our Community responds to the challenge of using Mill Field and the Parish Council will endeavour to help and assist wherever possible. If we can help with more discussion or in any other way then please get in touch.

## **Speeding/Signage**

The council have been trying for a couple of years to get the 30mph signage moved further back towards the A1133. Our endeavours are ongoing but please be assured we are aware of the safety issue here and very much aware of the problem of people speeding into that part of the village. Adam Faux, when he was on the council, instigated a group of volunteers to run a speed survey and with the help of our district councillors, the present council (now that Adam has left us) will be in touch with those villagers that offered their help in the next few weeks to set up the necessary training and dates to perform the survey.

We have discussed the need for new 'South Clifton' signage on entering our village and various options are being priced up. We have also had a generous offer from Shaun Kerry to make wooden planters to place by the signs and Adam Faux has offered to plant them up and maintain them. Thank you to them both.

## **Faster Broadband**

Many of you will be aware the application for Faster Broadband for South Clifton has been shelved, for now. The most recent costings came back as prohibitively expensive and would have meant many of the 151 interested households dropping out, making it even more expensive for those that remained in the scheme. A new Government initiative called 'Project Gigabit' is in the process of being put out to tender and, once details have been finalised, Gill will put in another application. Please feel free to contact her if you would like more detail.

## **Jubilee**

Finally, we had a fabulous few days, celebrating the Queens' Platinum Jubilee in June and thanks go to everyone from the three villages involved in the planning, setting up and running of the various events. See elsewhere in this newsletter for some photos of the long weekend.

South Clifton Parish Council decided it would be good to have a permanent reminder of this milestone and it was decided to buy a bench with an appropriate inscription. We have yet to decide where to site the bench, so if anyone

has any ideas, please talk to one of the council. Newark and Sherwood District Council have also promised to gift an oak tree to each council to mark the occasion.

The District Council allocated funds to each parish council to help with the costs of the celebrations and SCPC donated the same amount to the Jubilee Fund, so all the events and activities were free of charge. The planning group did, however, run a raffle and received donations from the Refill Station and food sales. SCPC agreed to donate some of this revenue to St George the Martyr Church as it is urgently in need of funding for repairs. The remaining money has been retained until a decision has been made about Mill Field in September.

### Noticeboard

The council noticeboard is usually up to date with details of the council and how to contact them. It is also where notice of an extra meeting is posted. There is room to advertise village events so if you have a poster you wish displaying, please give it to Gill or post it into her letterbox at Meadow View Cottage on Coalyard Lane.

# *Queens' Platinum Jubilee*

*Here are a few photos that tell the story of our celebratory long weekend. Thank you to Michael Akrill for sharing them.*

*We decorated the field.....and our homes*

*We displayed memorabilia*

*At last, the pavilion and field were ready.*

*So, we socialised.*

*We built a beacon.*

*We awaited the appointed time*

*The crowd waited with anticipation.*

*At 9.36 pm  
exactly,  
our beacon  
blazed!*

*And then  
we  
socialised -  
again.*

*Many of you made cakes*

*Lots of us ate cakes*

*We discussed our memories*

*The raffles prizes  
were amazing -  
thank you  
Adam Faux*

*We had our  
Jubilee Big Lunch*

*All too soon, the marquees and bunting were taken down and stored away, until next time. Thanks to the Sports Committee and all their trusty helpers for all their hard work.*

## **Seasonal Flu Vaccination Campaign 2022**

We will be holding 2 Saturday morning flu clinics on

**Saturday 24 September 2022, from 8.00 am – 1.00 pm**

**Saturday 15 October 2022, from 8.00 am – 1.00 pm**

We are aiming to vaccinate 100% of eligible patients this year, as defined by NHS guidelines. We may be able to open our offer beyond those eligible after 31 October 2022 (dependent on stocks/uptake).

**Saturday clinics will focus on patients who are able to walk and stand unaided for up to 20 minutes. No seating available. Flu Vaccinations (and possibly COVID vaccines once details are confirmed) will be administered with patients stood up and a strict one-way system through the Practice will be in operation. We will continue to wear face coverings to protect your healthcare setting.**

**For patients with mobility issues we will be holding weekday flu clinics. Our PCAs will triage at the time of booking.**

**Housebound patients will be contacted by the practice in due course.**

These are appointment only clinics. **Appointments will be available to book from 1 September 2022.** Please contact the number below, book online or ask at Reception.

## DOG GROOMING & HOME FROM HOME HOLIDAY BOARDING

Free collection & delivery; free day boarding to suit full time working clients when booked in for a groom. Day boarding must be booked in advance.

I enjoy my work and feel it is essential for my canine clients to trust and respect me. Therefore I will only book a maximum of 4 clients per day as this will enable them to enjoy my company in a relaxed atmosphere.

I focus on providing a high-quality service with a 100% customer satisfaction rate and over 25 years experience grooming a vast array of different breeds of dogs.

I have gained a lifelong knowledge of how to prepare and look after your pet and furthermore I will endeavour to meet your highest expectations.

Part of my grooming service is to check the condition of your pets skin, coat, eyes, ears and teeth, so I can alert you of symptoms of common medical problems allowing you to consult your vet.

I offer a wide range of dog grooming services -

- Traditional - Hand stripping - rolling the coat through the seasons for wire haired breeds.
- Clipper - e.g. Springer spaniels, schnauzers.
- De-matt & Rake out - e.g. German Sheppard & Golden Retrievers.
- Doggy Bath Time - real pampering! Specialist cubical and shampoos to suit coat & skin types including a relaxing massage, thorough rinse & blaster or hand dry.
- Nail clipping
- Anal gland emptying
- Ear plucking / cleaning

I am sure you'll be happy working with me.

Look around my website and if you have any questions, please feel free to contact me.
